Wow! What a great first week back!! It has been so lovely to see all the children and I think they were all very happy to be back in school too. Lots of smiles and laughter!

We have welcomed a new little boy to our class group this year – Ali, he is settling in nicely and making some new friends 😊

We have been busy little bees getting back into the routines and playing hard exploring our new classroom. We have a sensory area in our class now which the children seem to be enjoying! If anyone has any sensory toys or shiny/ textured fabric you no longer want we would love to give it a new home!

This week we have enjoyed introducing our new class story “The Tiger who came to Tea” – Sophie dressed as a tiger and all the children thought this was very funny! We have made a start on our Science topic too – ‘Ourselves’ – we did lots of action songs and activities based around our bodies. Some children did some amazing self portraits!

We managed to get out for a lovely walk around the park, it was windy and fresh and all the children behaved brilliantly!

We have also enjoyed starting a new music and movement this term we are exploring balloons, some of the children were a little wary but by the end of the session were happy to play and bat the balloon around and to their friends.

Overall a wonderful start to the academic year.

We hope you have a lovely weekend

From all of the Elm Class Team 😊

Windy walk around the park!
