

Willow Class News

This Week...

This week all of Willow Class have been back in school together, everyone has been very excited to see all their friends again!

On Monday we had our session of Rugby Tots, the boys ran off lots of energy and most importantly had fun! Please can we ask for tracksuit bottoms and P.E pumps to be sent in for P.E as the weather has taken a cold turn, thank you advance.

On Tuesday afternoon we had an outing to Avenham Park. Dylan, Khane and Pharrell all enjoyed splashing and jumping in the muddy puddles (apologies for the extra washing!). It was such good fun!

For our Cookery lesson this week we made a stewed fruit recipe. The children enjoyed exploring the different fruits. Viren even licked a blueberry, well done Viren! We are all so proud!

To describe Forest School this week in one word... MUDDY! Everyone made a bird feeder to hang out for the birds in our Forest School. Dylan and Khane found a mud slide and got extremely muddy! It was such a good fun and we are definitely getting our money's worth out of our wellies!

And finally...

★ ★
★ Star of the Week goes to... ★

Viren for trying different flavours during our cookery lesson! Well done!

Reminders...

Please remember to send your child in a waterproof coat as the weather has become very cold and wet over the last few weeks!

Thank you!

Hope everyone has a lovely weekend! We can't wait to hear your weekend news on Monday morning! ☺

Look what we've been up to this week...
