

# Ash Class's Weekly News

11<sup>TH</sup> September 2020

## This Week...

This week we have continued to spend time establishing routine within class and getting to know your lovely children. We have written about what we did over the weekend and some of you will be receiving a news pack. In Maths we have been looking at matching numerals or arrays (which are dots on a dice) to quantities of cubes – Practicing our counting out. In literacy we are looking at The Gruffalo and we have spent time re-telling parts of the story and looking at words we might use to describe the Gruffalo. In Food technology we collected Blackberries and made our very own blackberry cupcake, next week we will be making blackberry pancakes! We hope you have a fantastic weekend and we look forward to hearing about what you did over the weekend.

## Next Week...

We will be drawing ourselves. Maybe you could have a practice at home?

### Reminders

For those parents that have thank you. Snack fund is due for this term it's an 8 week term so please could we have £16. This is vitally important to help support cooking, messy play and snack time.

## And finally the star of the week is...

### Mohammed

Because he really enjoyed playing snakes and ladders and he has settled in very well 😊
