

This week...

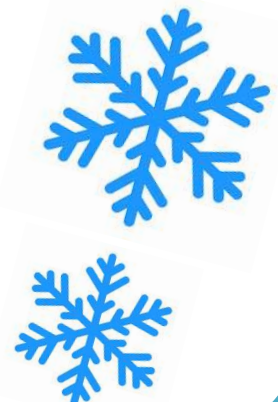

We have continued our topic learning all about Christmas.

On Monday we enjoyed the performance from the choir. The children sat really well and listened to the different songs and music. We all had a great time.

The children have been busy with their art work, creating beautiful pieces. We've been using lots of colour and glitter!!

We also made mince-pies this week. The children are following directions and instructions with greater accuracy and ease. Baking activities are a great way to engage the children and help develop their fine motor, coordination, control and focus.

It is hard to believe that we are nearly at the end of the first term!
We are so proud of all the children and all that they have achieved.

Next week we will be our last week before we break up. We will
enjoy lots for different activities as well as party day
and a visits from Father Christmas!

Reminder that school closes at 1pm next Friday.
