

# Ash Class's Weekly News

4<sup>th</sup> May 2021

## This Week....

What a week! This week we have continued to learn the story of Supertato in preparation for us mapping out the story and retelling it in the coming weeks. We didn't get to make our Supertato this week but we will be doing it this coming Tuesday. In history we looked at Greek Gods. This week and spoke about what God we would like to be and what powers we might have. In phonics we looked at the letter sound J and ai. In maths we looked at sorting into Venn diagrams and we will continue this into next week. In baking we made raspberry scones with icing on. They tasted yummy. Finally, some children did rugby tots and the rest of the class went orienteering around the park.

## Next Week...

I will be making our supertato models next week (I need to buy a few potatoes)

## Reminders

Snack fund is due for this term it's an 7 week term so please could we have £14. This is vitally important to help support cooking, messy play and snack time.

31<sup>st</sup> may is a Bank Holiday

## And finally the star of the week is...

Super venn diagram sorting skills!  
He did a great job of sorting the different sweets out 😊
