

Willow Class News

This Week...

What a fun and busy week we have had!

On Monday, Willow Class made clocks in our maths session. We have been looking at telling the time to the hour. We have also looked at what activities we do during the day, and at night.

On Tuesday, we had a fantastic day out to Blackpool and St Annes! The children laughed along in the windy rain on our walk along the promenade and we all enjoyed some nice hot chips in St Annes afterwards to warm up!

On Wednesday, we did some fabulous dancing to a slow, medium and fast beat. Special mention to Jessica who joined in really well, showing us her moves to the right beats. Well done Jessica!

On Thursday, Willow class had lots of fun raking up the leaves in Forest School, and in the afternoon we made some very tasty ginger biscuits!

On Friday, we all had our Christmas jumpers on. Everyone looked fantastic! In RE we made stained glass windows to put up in class, which look great!

One more week to go!!

And finally...

Star of the Week goes to... 

Viren, for excellent vocabulary in our Phonics session! Well done Viren!
