School

This Week...

We hope you all had a lovely summer holidays. This week the children have settled beautifully back into their school routine... staff too! Everyone has coped really well with all the changes.

This week we have been up to lots of exciting things! In our History lessons we have been learning about The Stone Age. We have talked about what people wore, what they ate, what types of animals were around and what they lived in. We even made our own Stone Age seed bread; the children really enjoyed measuring out the ingredients and stirring the mixture.

On Tuesday we had our music lesson where we were learning about different music from South Africa. Everyone enjoyed dancing along to the music and choosing different instruments to play.

Willow Class had their first Forest School session on Thursday. The children searched for acorns, conkers and fir cones and sorted them, it was very successful and the children had lots of fun getting muddy!

And finally...

Willow Class would like to a **HUGE** welcome to Mohammed! Mohammed had his first taster session on Tuesday and had a blast!

Reminders...

Please remember to send in clearly labelled school uniform/shoes, P.E kits and outdoor waterproofs. Thank you in advance.

Hope everyone has a lovely weekend! We can't wait to hear your weekend news on Monday morning! ☺

Look what we've been up to this week...
