

Seedlings Weekly News

W/B 8th November 2021

This week...

It has been a quiet week, with so many children poorly. We wish everyone a speedy recovery and hope to see all the children back with us soon.

This week we've started learning about traditional tales and our new topic will be the gingerbread man. We will be completing raft work, learning about the story, working on our letters and sounds, completing number work and playing in our bakery role play area.

Reminders

If your child is poorly please keep them at home
until they are well enough to return to school

Next week....

We will be continuing our topic on traditional
tales and learning about the ginger bread man
