

Oak Class Weekly News

Week beginning: 02/09/2020

This Week

It has been great to see everybody back in school this week. We have had a great time and it has been really special to be together again. We would like to welcome new pupils and families to our class, too.

We have been settling back in by following a recovery curriculum. Some areas covered in this scheme are: wellbeing, dealing with anxiety and questions about the current situation, exercise, dealing with loss, restabilising friendships and routines, and lots of fun! This week, we have been listening to social stories, playing games with friends, making wellbeing boxes, talking about our thoughts and feelings and expressing ourselves through role-play and art, amongst you other things. We have also done lots of exercise.

We are particularly proud of Siddhesh, Luke and Jacob who have settled really well into the class. We are also so pleased that the rest of the class has been so welcoming and friendly. Well done, Oak Class!

A big thank you to parents for all the hard work they did with the children over the lockdown period, and also for your patience and understanding with the current arrangements and restrictions.

Have a good rest this weekend, and we will look forward to seeing you on Monday.

Next Week...

On **Thursday 10th**, we will be going for a trip to the Fylde Coast to enjoy some fresh air and to do some artwork. Please look out for letters in baas.

Reminders

If you need to get into contact, please use this email address:

If you haven't already, please send in PE kit and outdoor learning items (wellies, waterproof coat and trousers), all labelled with your child's name.

cworsley@acorns.lancs.sch.uk

Many thanks.

And Finally...

Stars of the Week

Gemma

for being such a good role-model and friend.

Well done!
