

Pine Class News

Hi everyone this week has been very busy in Pine Class. We have all been working very hard towards our own targets!

We have also had lots of fun engaging with messy play and exploration this week - we really enjoy all the different textures (and flavours when we can eat it 😊)

On Monday we loved our baking sessions. We are really perfecting our biscuit making skills to make some yummy smartie cookies and have been having fun using the electric mixer. It is so fun for us to have the control and to make it work!

Some of us have been working on our numbers and prepositions this week - it really is tricky working out on and under but we are really starting to get the hang of counting objects!!

We looked at the story of Creation in RE on Tuesday and loved engaging with all the sensory props. Before decorating our salt dough starfish and having fun playing parachute games in the afternoon.

Wednesday was music day. We are all getting really good at choosing and playing our instruments more independently and at taking turns which as you all know can be really tricky!

On Thursday whilst some of us did a fantastic job in PE, the rest of us worked on identifying sea creatures with our new fishing game. We really worked hard to focus in order to catch the creatures.

On Friday some of us had swimming and walks whilst the rest of us focused on our sensory exploration and personal targets. We really do love the footspa - especially when the bubbles overflow - oops!

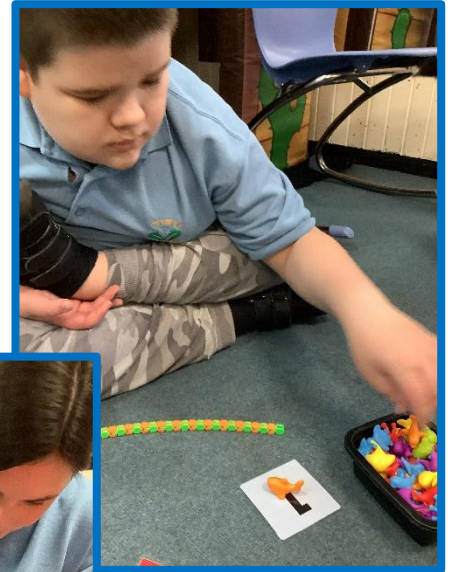

Hope you have a lovely weekend!!

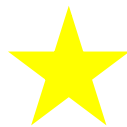

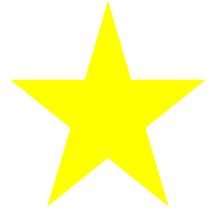

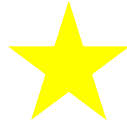

Reminders...

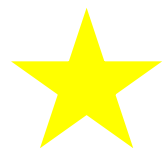

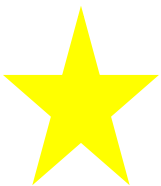

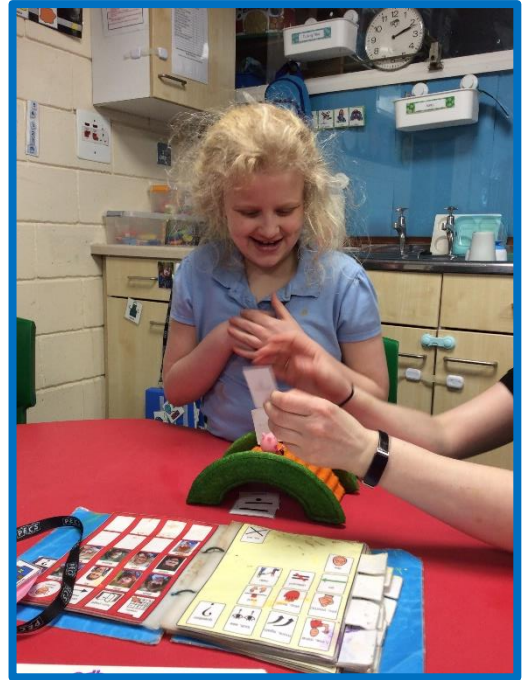

Snack and cooking money is **£2 per week**. Please remember to send this in weekly as it pays for the snacks and sensory play resources 😊

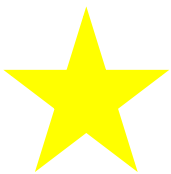

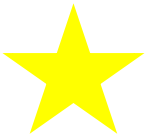

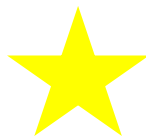

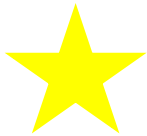

Please remember to label personal items & clothing!

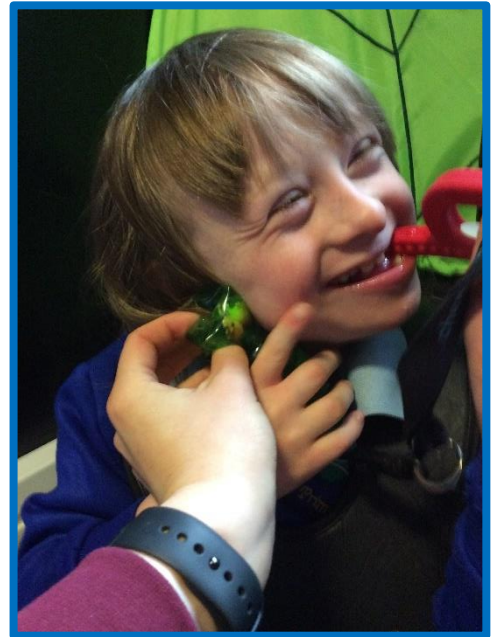

Look what we've been up to this week...

Our star of the week is...

Alfie

For engaging fantastically in all his lessons and for
working super hard to persist with exchanging his
PECS symbols
