

Pine Class News

This Week...

We have been missing some of our friends and hope they get well soon!

However we have had lots of fun exploring sea creatures and some of us have even been having a go at labelling the different things we find in the sea.

We have enjoyed The Rainbow Fish sensory story and we all sat beautifully to listen and to explore the sensory props which is amazing!

This week some of us have been exploring our new sensory boxes which have been filled with some new surprises for our new theme.

We really loved painting as a group this week and all of us managed to follow the step by step instructions with support!

Riley has been working on his skills in the community this week and was able to go on a trip to Sainsbury's whereby he used the self-check out machine. Amazing effort Riley!

Some of us started our swimming lessons this week. We all enjoyed it but it was very tiring.

Communication has been key this week and all pupils have worked hard to use their preferred communication tools to make requests. Some of us have also been trying hard to choose different things and to expand our sentences to include more information. Well done everyone!

Have a lovely weekend!

Our star of the week is...

★ Karol ★

For accessing his work more positively and making requests calmly with his PECS book!

Reminders...

Snack and cooking money is **£2 per week**. Please remember to send this in weekly as it pays for the snacks and sensory play resources ☺

Please remember to label personal items & clothing

Look what we've been up to this week...
