

Pine Class News

This Week...

We have had a busy time in class working on all our new targets. The staff have all been really impressed with how well the children are working both at the table towards their individual targets but also when working independently at the workstations. Well done everyone!

We loved getting back into the kitchen this week to make our gingerbread starfish biscuits and have really been working hard to follow adult instructions when baking. We love exploring the ingredients and have even been helping staff to clean up afterwards! Sous-chefs in the making!

We absolutely love our new Messy Play and TACPAC sessions and are really engaging well with all the new songs, props and sensory exploration. We used fabulous communication skills within these sensory sessions this week to ask for "more" and "again" - check us out! 😊

Our Music lesson was fantastic this week! We all remembered how to "play" and "stop" and we are now really great at choosing our instruments and taking turns. This week we have started trying to label some of our instruments using our communication aids and we all worked hard to match the right pictures.

We love "The Rainbow Fish" sensory story in our Theme lessons especially exploring all our sea animals. We have also been working on some lovely signing during this session. We have been working on the signs for: fish, rainbow, friend, happy and sad. Feel free to practice these at home!

Hope you have a lovely weekend!!

Our star of the week is...

★ Alfie ★

For really working hard to communicate using his PECS – fabulous exchanging 😊

Reminders...

Snack and cooking money is **£2 per week**. Please remember to send this in weekly as it pays for the snacks and sensory play resources 😊

Please remember to label personal items & clothing

Look what we've been up to this week...
