

# Pine Class News

Hi everyone, hope you have had a good week we have been busy, busy, busy on this lovely last week of term!

This week we have had lots of fun exploring our Easter activities. We had an easter egg hunt, egg rolling, egg decorating and Easter crafts where we all got very sticky and covered in paint! We had easter themed Attention Autism sessions and some of us even joined in with an exciting Easter themed table activity where we had to choose plastic eggs to open up and then had to work out what was inside. Some of the objects were tricky to identify but this was great fun as some of the eggs had chocolate in them! Yum Yum!!

Our sensory group have been having lots of lovely sessions exploring our sensory packs and accessing messy play and our sensory stories. Our communication skills are going from strength to strength and we are all becoming more confident with using our PECS to make requests for different things and activities.

This week we have been working hard on our gross motor skills with lots of walks out, PE and exercise. We do love playing on the trampolines at play times it is such great fun and we are so grateful that the weather is getting a little better so we can enjoy our outdoor areas once again!!

Finally the end of the term was topped off with the opportunity to wear our own clothes and to finish early!

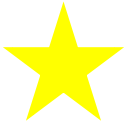

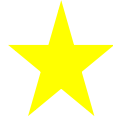

We would just like to say a massive thankyou for all of your donations for the Chocolate Bingo it is much appreciated and we hope you all have a lovely family time this Easter!

## Reminders...

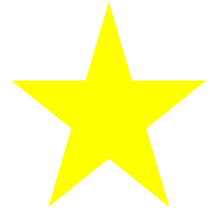

Snack, cooking and sensory play money is **£2 per week**. Please remember to send this in weekly as it pays for the food and resources we use every day!

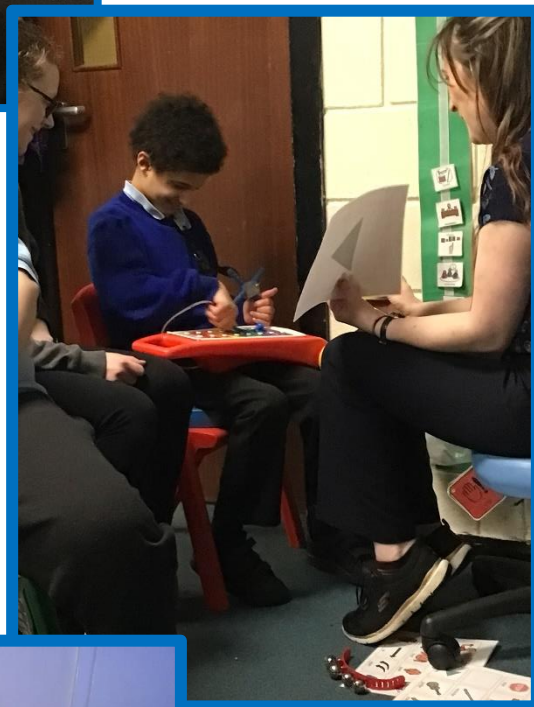

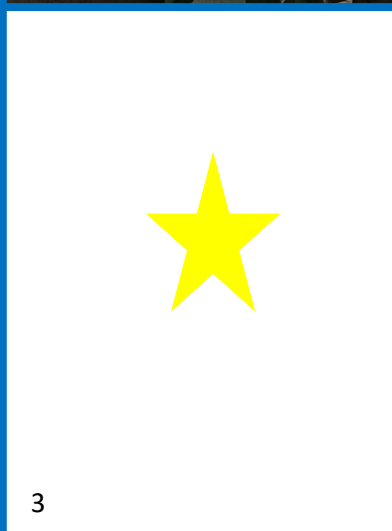

Also with the weather getting warmer please can you please make sure that the children are dressed appropriately and that you apply and send in sun cream so that we can keep everyone safe from the sun ☺

Look what we've been up to this week...

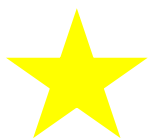

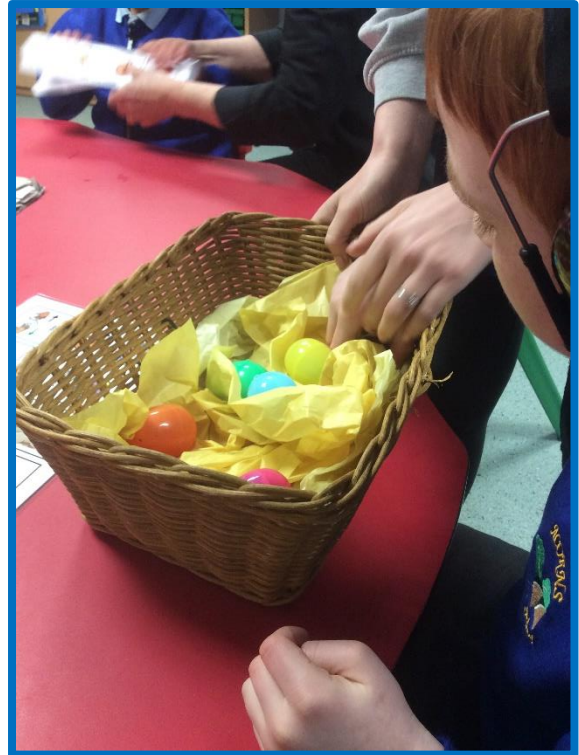

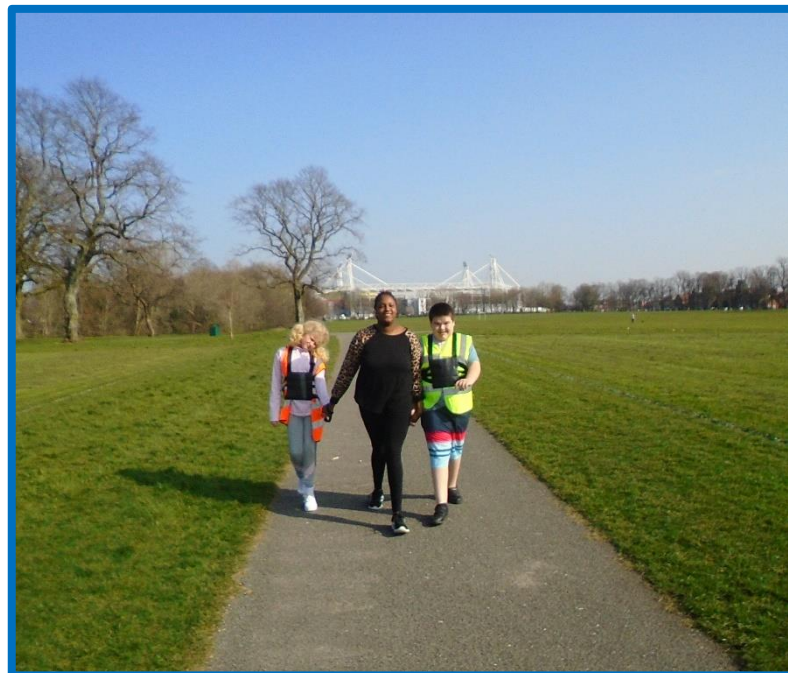

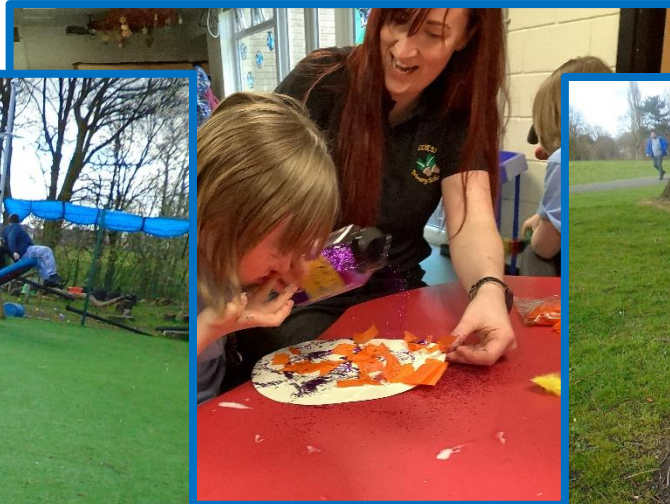

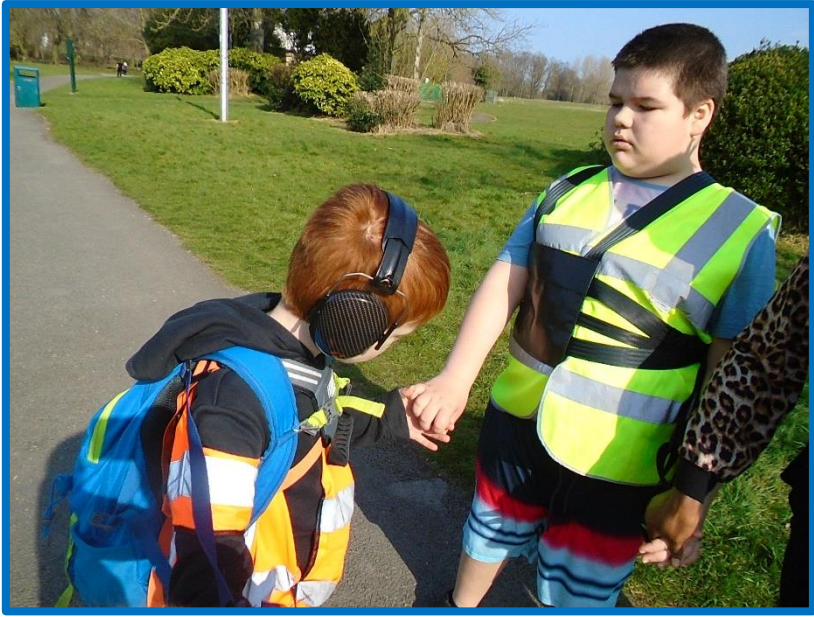

Our star of the week is...

Noah

For being really positive about transitioning  
between activities with staff and engaging well  
with his learning all week.
