

Pine Class's Weekly News

11th September 2020

What an amazing start we have had!

It has been so lovely to meet and see the children so happy and excited to be back in class. The children have already enjoyed exploring our new classroom environment accessing lots of new resources and areas in class.

This term our theme is all about 'Autumn'. We will be accessing some community walks to look at the changes associated with Autumn and our sensory story will be all about Autumn too!

This year will also be focussing heavily on communication and making choices. The children have already been working so hard using their personal communication aids and we hope to share this progress with you soon.

The children have settled in so well and are adjusting to new routines and structure. Some of us have already made massive progress with transitioning, sitting at set times, and waiting when asked.

We hope you have a lovely weekend

From all the Pine class team 😊
