

Pine Class's Weekly News

16th October 2020

We have had a very busy week in Pine class!

At the start of the week we all enjoyed baking in the kitchen. We explored making autumn biscuits. We added our favourite toppings and they tasted delicious.

On Tuesday we all enjoyed messy play, we all enjoyed the autumnal theme sensory tray. It was filled with conkers, pine cones, leaves and lots of rice. We have been using lots of different tools to explore filling and emptying containers.

We have also had lots of fun during music. We have been exploring lots of different instruments and working on stopping and starting in time with the music. We really enjoy making lots of noise, it makes us laugh!

On Wednesday afternoon we all went on a welly walk around Moor Park. We all walked fantastically, we collected lots of leaves and conkers and jumped in lots of muddy puddles.

This week we have all been enjoying our sensory sessions. We have all accessed vestibular and sensory circuits. We really enjoy these sessions and it helps us to regulate and focus for lots of morning activities.

This week we have done lots of focussed table activities, we have been busy colour sorting, posting, stacking, completing inset jigsaws and have begun to explore toys which require us to share and take turns with support. We are all working really hard on this!

We hope you have a lovely weekend

From all the Pine class team 😊
