

Elm Class Weekly News-13-17th September

Week 2 and the children have continued to be little stars, settling back into school life. They have been busy little ones and had so much fun and wonderful experiences. I'm sure they'll be tired Teds this weekend!

As you can see we have had lots of fun exploring! The children are engaging well and having lots of fun

We have spent lots of time outdoors this week, making the most of this lovely Autumn sunshine! The children just love being outdoors together. We are so pleased with how well they are settling into Elm class, getting used to the staff, their new routines and working so hard. We are so proud of how well they are doing with their communication aids already! Such little superstars.

We would like to thank you, our Elm class parents, for being so welcoming and supportive of us both and for the great communication between home and school. It is very much appreciated. As always feel free to contact us through the school number or indeed our shared email.

Have a wonderful weekend. Saturday is looking to be a sunny one!

From all of Elm Team 😊
