

# Weekly News

## This Week...

Everyone is settling in so well! Its lovely to see how much progress children are making already. Some lovely friendships are being formed and the children are enjoying their new routines.

Everyone has also loved trying out our new "trim trail"

## From Monday 20<sup>th</sup> September.

Please can parents/carers drop children at the door and collect from the door. We are still limiting the visitors into school and the foyer has been getting a bit crowded so we would appreciate parents/carers waiting outside. Staff members will collect the children from you and bring them out at 3.15pm

## Reminders

Please follow our open Facebook page and remember we have a closed page for parents/carers too.

## And Finally...

Its been lovely to see some our new parents and long standing parents chatting at the door in a morning/afternoon. This supports our value "welcoming" and just shows what a lovely community we have at Acorns.
