This Week...

Welcome Back! 😊

What an amazing first full week back! We have lots of tired but happy children. Everyone has transitioned back into school really well and it's been a really fun week. Our building has had improvements made over the holidays!

Next Week...

We will be starting our Key Stage Assemblies. Our first focus for Star of the Week is the value:

"We **welcome** everyone"

Our aim is to be **welcoming** to new pupils, staff and families.

Reminders

Snack money

Please label all items sent from home

Use a talking tile to send us info from home

And Finally...

Our new rooms are nearly complete: We have lovely a new staffroom and a new classroom. We look forward to getting them finished and painted.
