

We have had a fabulous week, we have worked our little socks off, settled really well and enjoyed lots of activities!

We had our first PE session this week, the children did super in the hall. We worked on following instructions and throwing techniques!

Beth loved the emergency blanket during our exploratory part of registration!!

Shape lesson Activities

Sensory Bingo Time

REMINDERS-

Thank you for sending in the waterproofs and PE kits. We look forward to getting wet and muddy in our Forest school sessions!

Please can I ask for a contribution to class fund if you haven't already - baking sessions/sensory exploration/snack £2 per week if possible 😊 thank you to those who have paid.

Feel free to contact me on the school phone number/school email and I will try and get back to you ASAP.

Sophie - smartindale@dacorns.lancs.sch.uk

Just to let you know Janet will now be teaching in Elm Class on a Friday

We have had another wonderful fun packed week in Elm class! I am so impressed with how well the children seem to be settling and working. Long may it continue! We have enjoyed lots of lovely sessions this week including our first PE lesson. The children were super at getting changed and ready for the lesson, we hope to see them continue to develop their independence throughout this year. We worked on following instructions, keeping moving and throwing – underarm and over arm! We were ALL very hot and sweaty afterwards!!

We have also enjoyed lots of sensory activities – sensory bingo was a huge hit – the children love all the sights, sounds and textures they get to explore!

In our Maths we are focussing on shape, some children really impressed me with their attention and focus on the activities. Jude was super with the complex shape jigsaws.

In our phonics we introduced the sound S, we tasted, smelt and touched strawberries, coloured pictures, practiced writing and sorted objects by sounds!

We had a number hunt in our Forest school, story time, role play – Amelia and Stanley made the perfect couple - sharing the washing up duties!

On Thursday we enjoyed looking for conkers on our class welly walk ready for our new music session about Autumn which we will be starting next week.

If people could look out for conkers, pine cones, acorns at the weekend I would be very grateful if you could send some into school. Also I am looking for donations of old cause and effect toys, materials and if possible some one who knits!! If you can help with any of this please let me know. ☺ Thank you

We hope you have a lovely weekend

From all of the Elm Class Team 😊

Number hunt in Forest School
