We have had a brilliant week and the weather being so glorious has been the icing on the cake!!

We have certainly made the most of it with lots of outdoor learning going on.

We had a very hot and sweaty PE session on Monday and the children coped amazingly well and definitely worked up a sweat! Things to practice at home could be throwing and catching with a partner!

We have done some incredible listening too this week following instructions and joining in with activities when asked.

I have added just a few pictures to try to show you what we've done but I am so amazed with all the children, they are working so incredibly hard and making great progress already!! I can't even choose a 'star of the week' because they are all wonderful!! In our phonics this week we focussed on the sound 'a' we listened to songs, tried forming the letter with our fingers and using pens/pencils and we tasted some yummy apples.

In our story time session we enjoyed role play and answered questions using a communication board.

We also enjoyed a wonderful Autumn themed music session, the children loved playing the instruments and listening to new songs.

We hope you have a lovely weekend

From all of the Elm Class Team 😊

Music lesson Fun!
