

We hope you have all had a wonderful Easter break! The children have had lots of fun in this glorious sunshine this week. We have been able to get out and about on the park and the children LOVED it! They have been working extremely hard as usual and got straight back into school life!

What a wonderful first week back after the Easter break!

Sorting objects by materials

Active Kiddies!

Our first welly walk of the summer term!

Working on our Targets!

Super Stars!!

### REMINDERS-

Welcome back after the Easter Holidays, lovely to see all the children's smiley faces

This half term we will be focussing on 'Minibeasts' and growing our very own caterpillars/butterflies!

We are now also allowed out and about in the park so we will resume our welly walks. Please send in sun hats and cream to keep in school.

We are asking for £2 contribution per week towards our sensory resources and snack/treats.

We have now started a weekly tuck shop too, the children will be 'earning' pennies to spend each week

Sophie 😊 - [smartindale@acorns.lancs.sch.uk](mailto:smartindale@acorns.lancs.sch.uk)

This week the children have done very well returning to school and have slipped straight back into routine. They have embraced some changes to the way the class runs and making super progress so far already!

They have all been busy bees working on their new IEP targets for this term and have made a promising start.

We are trying to make the most of this glorious weather and getting the children outside as much as possible while it's here.

Our new theme is minibests for this half term so we have lots of exciting activities going on around this. We really enjoyed the class story this week – "Crunching, Munching caterpillar"

In music we played instruments to our new song – Tiny Caterpillar – we will be learning to play and stop and begin to keep a beat.

We made spiders in our arts & craft session and searched for bugs in the compost tray!

Soon we will be making our very own bug houses in our wonderful forest school area

Happy weekend

From all of the Elm Class Team 😊

## Bikes!
