

This week we have enjoyed the lovely weather! We have loved our playtimes outside and visiting forest school.

In class we have been busy learning about Mother's Day and making special things for our wonderful mummies!

We have also enjoyed learning about Easter in our RE session.

Reminders!

Next week is our last week of the Spring term, don't forget to collect your children at 1pm on Friday!

Thank you for all those who have sent contributions this term 😊

class email elm@dacorns.lancs.sch.uk

This week the children have enjoyed making their Mothers Day cards and cakes.
We hope you enjoy them!

We have enjoyed the Easter story and our sensory story "We're going on an egg hunt" lot's of wonderful engagement and participation!

The children have continued to work very hard on their communication. We have been using our voices to talk and discuss pictures and stories and the children have been great at showing their understanding in different ways!

Some children enjoyed a visit to Sainsbury's and some have enjoyed visiting the forest school to help make a start on some new planters - adding some seeds!

Have a lovely weekend and enjoy the sunshine!

From all of the Elm Class Team 😊
