

We have enjoyed lots of physical activities at the beginning of this week due to more hall time being available. The children loved it and were very keen to challenge themselves!

We have had a great week! We have made a start on our Christmas activities – making Christmas tree decorations, Christmas pictures and singing Christmas songs! Next week we will be sharing the Christmas story and a winter sensory story together.

Movement Session!

REMINDERS-

Thank you for sending your children very well prepared for our beach trips this week. We had a wonderful time 😊

Next week we are going to be learning about Christmas/Winter

We will be focussing on all things Christmas ready to break up on Friday. Thank you to you all for your understanding regarding the reduced bubble too.

1 more week to go!

Sophie 😊 - smartindale@acorns.lancs.sch.uk

This week the children have been working towards achieving their targets, exploring their classroom, making Christmas crafts and sharing wonderful experiences together.

They enjoyed having a party for Agata's birthday on Monday – they did some super moving and dancing to the music. We played musical bumps and musical chairs as well as corners! They were all fabulous

Tuesday we got an extra day in the hall so we had a great movement session! We were jumping, balancing, travelling through tunnels, along benches and over obstacles. We loved bouncing on the therapy ball and stepping on the musical stepping stones.

Our trips were a huge success and all the children had a fabulous time. They braved the cold of December and embraced their long awaited day out!! Martin our IT technician has kindly put some videos together for us to share with you guys. You should be able to find them on the Elm Class Galleries.

We have also enjoyed making a start on Christmas decorations – Jenny's dad made lovely wooden tree decorations to raise money for Derain house – our class bought some to paint and take home. They look great. Jenny raised £60 from this!!

We are looking forward to our last week of the term. The children have worked so hard and are in need of a rest I'm sure.

We hope you have a lovely weekend

From all of the Elm Class Team 😊
