This week we have enjoyed lots of fun activities, we started the week with St David's Day and ended with World Book Day.

The children have worked very hard on their targets in between all the extra activities.

The children did very well in PE on Monday – excellent interacting with each other and developing those skills – throwing, catching, aiming and striking. We also worked on rolling again and balancing!

On Tuesday we decorated our class door with “Monsters love underpants” the children had lots of fun decorating their own underpants for the display!

We have had great fun sharing lots of different stories this week, the children loved the sensory story and we plan to do this again next week for all the children to enjoy!!

We can't wait to welcome the children back and enjoy some whole class activities together!

We hope you have a lovely weekend

From all of the Elm Class Team 😊
