

We learnt about St Patrick's Day and some Irish traditions including dancing, music, food and the national flower.

We made bright shamrock pictures, made leprechaun masks and tasted some Irish cakes!

We have had fun this week celebrating St Patrick's Day on Wednesday.

Sensory session

St Patrick's themed Art work

Working and playing hard

Taking turns

REMINDERS-

Thank you to those who have sent money in, this is much appreciated and also for those for wearing green and joining in with our comic Relief fun on Friday too.

Next week we will be doing all about Easter. We will have a little Easter themed party on Thursday if anyone would like to send in contributions - cakes, crisps etc it would be very welcome.

Thank you

Sophie 😊 - smartindale@acorns.lancs.sch.uk

This week we have really enjoyed celebrating St patricks Day, we really liked the music and dancing!

We had fun in PE balancing, rolling, stepping and throwing – we are all doing so so well with our targets!

We made shamrock biscuits, we made our own leprechaun hats to wear and some of us tasted some Irish cakes!

We have been working hard on communication, making choices and turn taking this week. We are enjoying playing with our friends.

We have done lots of sound work too – listening and matching sounds, finding letters and naming them too. Some of us did some super reading and communicating using communication boards

We have also worked hard on our comic relief dance every day this week!

I will attached Fridays pictures separately as a special 'Red Nose Day' event!

We hope you have a lovely weekend

From all of the Elm Class Team 😊

The children have been working so hard all week!
