

## PPE products from Springfield for Schools

Please see below current status of all items. Orders will be reserved on a first come first serve basis. Some items will need to be pre ordered for delivery to you later in May. It is therefore important that orders are put in the system ASAP.

Please be aware that the stock situation is changing by the minute and all goods are offered subject to prior sale.

Also, for larger requirements, we may need to allocate products to help distribute stock fairly.
