

'Specialist Music' Admissions Information for Parents For Ada Lovelace CofE High School

10% of total places within Ada Lovelace CofE High School are made available each year for students applying for a place in Year 7 and with an identified natural aptitude for music.

The application process is designed to test a child's natural ability to hear and discriminate differences in:

- Pitch
- Rhythm
- Chords
- Melodies

As such, a child can be awarded a 'Specialist Music' place based on musical aptitude, irrespective of any prior instrumental or vocal tuition.

How to Apply:

1. Apply to Ada Lovelace CofE High School in accordance with the Local Authority's co-ordinated admission arrangements using the Home Local Authority Common Application Form.
2. Complete the Music Scholarship application form online on the school website by the specified Music Scholarship closing date of 12 noon on **Friday 29th September 2023**.
3. All Music Scholarship applicants will be invited to attend **Round One** of the Music aptitude assessment in October
4. Your child's score will be issued together with news as to whether they have been invited to attend **Round Two** of the process.
5. Your child's Round Two score will then be added to their Round One score and a ranked list of final results, in descending order, will be compiled. Those ranked in places 1-20 will be notified on National Offer Day (early March) that they have been offered a specialist music place (provided they have not received a higher preference offer).
6. Students who are not offered a Music Scholarship place in March will be placed on a Music Scholarship Waiting List, ranked according to their score. If a place becomes available it will be offered to the applicant who is highest on the waiting list. In the case of a tie, on score, those students living nearer the school, measured in a straight line from a point in the property of the child's home address (including flats) to the nodal point which is the centre point of the school's permanent site Park View Road, Ealing W5 2JX*, will be given priority. * Easting 518492 Northing 181419
7. Those not successful in obtaining a Specialist Music place will still be considered for a general admissions place through the PAN London Common Application Form.

Students admitted to Ada Lovelace CofE High School under a Specialist Music Place will be expected to:

1. Make an active contribution to the school community through commitment to our extra-curricular rehearsal and performance programme.
2. Make outstanding musical progress across all three disciplines of performing, composing and listening as a result of both the Music Department curricular and extra-curricular programme.
3. Learn either a String, Woodwind or Brass instrument (including guitar) as either a first or second study instrument.

The application process is as follows:

Frequently Asked Questions:**Does my child need to be able to play a musical instrument?**

No. Application for places is open to all students but, should your child gain a 'Specialist Music' place, they will be expected to learn a String, Woodwind or Brass instrument either individually or in a small group.

Will my child be expected to sing?

Yes. Round Two of the application process will involve some aural tests which will require your child to sing short phrases in response to the teacher's direction. All 'Specialist Music' students will be expected to sing in a school choir.

My child has already passed a number of practical exam grades on their musical instrument, will this help my application?

No. The application process takes no account of previous musical experience although this information is always useful to us should they be offered a place.

My child has instrumental lessons outside school, should I continue with these?

We are able to offer tuition on Strings, Woodwind, Brass, Drums, Piano, Keyboard, Voice, Guitar (Acoustic, Electric and Classical), Bass Guitar and Theory. It is up to you whether you decide to receive tuition through us or privately and this will be something that will be discussed further at your child's induction interview should they be successful. All children enrolled on a 'Specialist Music' place will be expected to learn either a String, Woodwind or Brass instrument as a first or second study instrument.

My child is involved in lots of musical activities already, what commitment will they need to show to Ada Lovelace?

Students enrolled on a 'Specialist Music' place will be expected to commit to a minimum of two to two and a half hours' per week of wider musical learning. This will include a Music Scholar Musical Skills session, membership of a choir and at least one other activity.

My child has a Special Educational Need. Will they be given a concession during the application process?

If you feel that the school needs to be informed of any special educational need or disability that may affect the testing process, please let us know so that any necessary arrangements can be made. Your child's current school will need to provide full details of the level of support currently provided during assessments so that we are able to make arrangements as deemed appropriate
