Summer Reading Challenge!

- You should spend 30 minutes reading at least 4 times a week.
- You should at least finish the book you are going to donate to the book box.
- Every time you read you must get your sheet signed by a parent/carer.
- Each time you read you should select a word that you didn't know before/ were unsure of the meaning and find the definition.
- You should also make a note of the pages you read and summarise in a couple of sentences what has happened.
- Don't forget to rule off after each entry.

Book Title and Page Numbers Read	What Happened in This Section?	New Word	Definition	Parent/Carer Signature

Book Title and Page Numbers Read	What Happened in This Section?	New Word	Definition	Parent/Carer Signature

Competition: You must write a book review or create a poster advertising your book box contribution. This should help students decide which books to read. Make sure your work is colourful and eye-catching. The best from each form will be entered into an inter-form competition. **Bring this sheet, your reading book donation and your review/poster on the first day of term.**

Finished the table? Carry on with your reading but make sure you are still recording it on another piece of paper.
