Please read it carefully, sign and return it to the School's Administration Department in order to access the school's network and Internet.

- I will comply with school rules for using computers (including the Online Safety Policy).
- I will only access the network via my own authorised account, which I understand is my own responsibility and I will not make available to anyone else except I may share login details with parents so they can access Copia.
- I will use the Internet appropriately for education purposes and will not attempt to access inappropriate web sites including sites that are pornographic, discriminatory, illegal or offensive.
- I understand that I am responsible for rejecting any unsuitable material and will report this to a member of staff.

- I understand that the school network administrators have full access to the system and my account and that they reserve the right to examine or delete inappropriate files. I am also aware that my steps in using the network can be traced (including web sites visited).
- I understand that my parents may be required to meet the cost of replacing any school IT equipment which I damage.
- I will keep usernames and passwords for third party websites secret, and not allow anyone else access using my account
- I will abide by the rules of any third party websites that are used in school

Although the school makes every effort to ensure that students cannot access inappropriate material (through a filtering service and staff supervision), the nature of the Internet is such that there is no guarantee that ALL offensive sites have been blocked. However, the school believes that the benefits of providing access to ICT and the Internet far exceed the potential drawbacks and we hope that students will act responsibly in using the facilities they have been provided with.

I am aware that my child has been given access to the school's computer network and Internet and I have reinforced this agreement.
