PE Appropriate Trainers

We understand that people have different feet sizes and shapes, and therefore need a specific size, brand and shaped shoe. We do however ask that trainers need to be predominately white, and suitable for running. We ask this to clearly differentiate them from school shoes and ensure that they offer adequate support for student's feet during the activities in PE Classes. Trainers that will not be acceptable for PE lessons include Converse, Nike Air Force and Van style shoes.

Please see below guidance on footwear that is suitable for the 3G Astro Turn Pitch
