Dear Parent/Carer

Covid-19 Update: Change to KS3 Registration Groups

Following a review of our Covid-19 Risk Assessment a decision has been made to make a small additional change at the start of the school day. From Monday, 21st September all students in Key Stage 3 (years 7-9) will be registered within their teaching set/group rather than their form group with a member of staff who may not be their usual form tutor. This is to further reduce any possible transmission of COVID-19 and reduce the impact on students in the event of a positive case. This change will not affect the start time or entrance into school. All KS3 students have been advised of this change. There are no changes to KS4.

Details of the new arrangements are available in the table below. Students should continue to arrive at their year group start time and enter through their year group entrance.
