June 2025

Digital Images

From time to time, we may take photos of our students, both in school and during off site activities. We really value using photos and video of students, to be able to showcase their excellent work. These may be used in a variety of ways both within school and externally, such as on the school website, school prospectus, social media pages and in the local media. **Where images are used externally, full names will not be added to ensure that your child cannot be identified.** Further permission may be sought on exceptional occasions.

You will be asked to provide consent for:

- Photographs/digital video to be taken that can be used on display within school, in newsletters, on the school website and on the school's social media accounts (e.g. Facebook) for educational, promotional or celebration purposes.

Should you wish to withdraw or alter your consent at any time, please contact the school office with your request. We will always acknowledge receipt of any change.

Please note that we reserve the right to obtain a photograph of all students for use on their electronic school record, which is stored on SIMS to enable all staff to be able to identify your child. This photograph will be taken by the School Photography Company within the first week of term, parents will be able to purchase a copy if they wish. Further individual photographs will be taken in Y9 and Y11.

If you have any questions or concerns about the use of photographs or digital videos, please do not hesitate to contact the school office.

Examples of how we may use digital images of our students:

..in Textiles

Miss McLaren's Year 10 GCSE Textiles students had an amazing time in a workshop with artist Nikki Parmenter! They explored exciting techniques and materials, like soldering irons and machine embroidery, to create stunning pieces inspired by oceanic themes and natural forms. Their hard work and creativity will enhance their GCSE coursework. We're so proud of their enthusiasm and dedication! Well done, Year 10!

Congratulations to the Year 8 netball team. A huge achievement coming runners up in the Tameside Plate Final vs Hyde High School, final score 8-1. The girls showed huge resilience and played some excellent netball with some fantastic interceptions. Well done girls!
