Have the correct equipment each day.						

Key Stage 3 House Passport

Name	
Form	
House	

To be awarded an achievement badge, there a number of challenges that you must achieve.

Use this tracker to keep a log of your achievements so that your Form Tutor and Progress leader may track your progress towards achieving your targeted badge.

For every challenge that you meet, your house will be awarded 5 points.

For every Alder badge that you achieve, your house will be awarded 10 points.

Alder points will continue to be awarded in lessons for:

- Relentless Pursuit of Excellence (Effort)
- Love of Learning (Achievement)
- Building Resilience (Determination)

Individual House points can contribute to your individual points total. You may achieve House points during the form period and extra-curricular activities for:

- 100% attendance (5 points per half term)
- Completing form activities to a high standard (1 point per activity)
- Taking part in a special week (1 point per activity)

- Updated four times per year (not all in one go!)
- This is line with the Achievement assemblies in October, December, April and June
- Some relate to the passport
- Some will have date provided
- Some data will come from progress leader
- Use it to praise and set targets.
- Use it to build relationships with your students.
- Make it important!
