Dear Parent/Carer

As your child is required to self-isolate, remote home learning opportunities will be provided. As not everyone in your child's teaching group has been asked to stay at home and self-isolate it will not be possible for the class teacher to deliver live online lessons.

Your child will be set a range of curriculum related independent learning tasks which mirror the curriculum in school. The work will be accessed through Microsoft Teams, via the Year 7 Isolation Team rather than their usual teaching group team. A video showing how to access Microsoft Teams can be found on the [Home Learning page of the school website](#).

If your child has any issues accessing their home learning please contact it-support@alderchs.uk

Yours sincerely,

R O'Regan
Headteacher
