Headteacher: Mr R O'Regan BSc (Hons) NPQH

18<sup>th</sup> November 2020

Dear Parent/Carer

As your child is required to self-isolate, remote home learning opportunities will be provided. This will be curriculum related work to ensure that students are continuing to access the full curriculum during this period of absence. All work will be accessed through Microsoft Teams. A video showing how to access Microsoft Teams can be found on the [Home Learning page of the school website](#).

Your child can access work in the 'assignment' section of their individual subject teams at the appropriate time.

As the whole of the class are isolating, where possible live lessons will take place. These will last between 20 and 40 minutes depending on the subject and the curriculum content being covered. Your child will receive an e mail from the class teacher with confirmation of the start time and a link to be able to access the live lesson. More information about live lessons can be found on the [Live Online Lessons page of the school website](#).
