Headteacher: Mr R O'Regan BSc (Hons) NPQH

12th October 2020

Dear Parent/Carer

As your child is required to self-isolate, remote home learning opportunities will be provided. As the whole of your child's teaching group has been asked to stay at home and self-isolate the group will receive curriculum related work to ensure that they are continuing to access the full curriculum during this period of absence. This will be a combination of independent learning tasks and live online lessons. Both are accessed through Microsoft Teams. A video showing how to access Microsoft Teams can be found on the [Home Learning page of the school website](#).

There will be 2 or 3 live online lessons per day, these will last between 20 and 40 minutes depending on the subject and the curriculum content being covered. Your child will receive an e mail from the class teacher with confirmation of the start time and a link to be able to access the live lesson. More information about live lessons can be found on the [Live Online Lessons page of the school website](#).

Here is a copy of the home learning timetable for your child to follow this week, live lessons are highlighted in blue. Your child's class teacher will be available to respond to e mails during the timetabled slot.

9Y timetable:
