Headteacher: Mrs M Critchlow BA (Hons) NPQH

## School Trips, Local Visits & Sports Fixtures

We regularly organise activities outside school, including:

- Local walks (e.g. to Werneth Low Country Park)
- College taster days and university experiences
- Sports fixtures
- Day trips during school time

### One-time consent

To save time and reduce paperwork, we're asking for your consent once to cover all local visits and sports fixtures during your child's time at Alder. For trips further afield, such as activities days or field trips, we'll ask for separate consent.

**You can withdraw or change your permission at any time** by contacting the school office.

### What you're agreeing to

By giving consent, you're allowing your child to:

- Take part in local visits and activities during or after the school day
- Receive first aid or emergency medical treatment if needed during any trip or activity

### What's covered by this consent

- All local visits during the school day
- Sports fixtures during the school day or after school

### You'll always be informed

We'll send you information before each trip or activity takes place. If you don't want your child to take part in a specific visit or fixture, just let us know.

### Transport arrangements

Occasionally, we may need to transport small groups in staff vehicles or taxis (for example, to sports fixtures). When this happens, the driver will always have appropriate business insurance and follow our school policies.
