Dear Parent/Carer

At this time of year, we would normally welcome you and your children into school for our transition information evening and our transition days. Due to these unprecedented circumstances, we are offering a different transition experience this year.

We would like to invite you to our 'Virtual Transition' which will be launched through our website on Thursday 2nd July 2020. [This can be accessed via our transition sections of the website.](#) Our virtual transition will include speeches from Mr O'Regan, your child's Progress Leader (Mr Heaton), responses to frequently asked questions and further information about our school. At this time, you will also find out your child's form and receive a message from your child's new form tutor.

Depending on government guidance, we are still hoping to hold a formal transition day for your child in September. This will allow students to familiarise themselves with the school building, our school routines and their form tutors. It will also give them a chance to ask any questions they may have before the timetable starts properly.

We will be updating the transition website on a weekly basis moving forward and will send further information out to you about September transition when we have further clarification from the government.

Yours sincerely,

Mr R O'Regan
Headteacher
