(Career Guidance Services Adviser Based in School)**

- A chance to think and talk about your future plans
- The chance to talk about your plans for after year 11 and the sort of career you would like
- The opportunity to find out more about colleges, sixth form courses and work based learning – you might even want to find out more about university
- You may be asked questions about what you like doing in and outside of school
- If you have a career in mind you may be asked to think about the skills/abilities you need for this
