In each unit of work, students will learn to:

- Understand and respond to spoken language
- Understand and respond to written language
- Produce language in speech and writing
- Demonstrate accurate understanding and accurate application of the grammar and vocabulary

Assessment: • Vocab & grammar tests • Conversation question drafts • Termly reading, listening & writing assessments • Mock exams – listening, reading, writing and speaking	Independent Learning: • Regular vocab & grammar learning tasks - set of words, phrases or verbs to learn which will be tested in class • Other tasks (reading, listening, writing & vocab) to practise language taught in lessons • Revision tasks in preparation for assessments (speaking, listening, reading & writing)
• How to help at home: • Test your child on their vocab regularly. Each student has a vocab booklet which contains the specification vocabulary • Encourage your child to review language taught in class regularly at home – revisiting language little and often helps it stick into the long-term memory • Ask to look at your child's exercise book and discuss work done in class with them – ask them to pronounce the words aloud to you • Practice conversation questions with your child at home regularly	Wider reading: • Bitesize GCSE Spanish • Linguascope.co.uk contains a wide selection of activities and games for independent practice (see teacher for username & password) • Duolingo • Revision guides & workbooks
