

Reviewing Parental consent preferences

The **Parental Consent** area is accessible from the menu/dashboard (Note: In the App you might need to scroll to the bottom of the dashboard screen).

It displays the **Parental Consent** options for the **Student**. Tick the radio buttons (on Web) or Slide selectors (on App) to confirm if you give your **Consent** for information or images about the **Student** to be used in each specific context. If you want to remove or revoke consent that you have previously given you **MUST** contact school directly via email or at reception.

Parental Consent		
	YES, I give consent	NO, I do not give consent
01. Use of child's image on school website I consent to the use of my child's image on our website. For example, to celebrate their achievements, taking part in an Assembly, as part of a group meeting a visiting dignitary or performing in a school production.	<input checked="" type="radio"/>	<input type="radio"/>
02. Use of child's image on our social media pages I consent to the use of my child's image on our social media pages (Facebook/Twitter/Instagram). For example celebrating school activities and achievements.	<input checked="" type="radio"/>	<input type="radio"/>
03: Release of child's name for publication, with or without image I consent to the release of my child's name for publication, with or without an accompanying image.	<input checked="" type="radio"/>	<input type="radio"/>

Parental Consent Save

*Please contact the school or visit reception to revoke any parental consent.

03. Use of child's image on our social media pages
I consent to the use of my child's image on our social media pages (Facebook/Twitter/Instagram). For example celebrating school activities and achievements.
☒ Yes, I give consent

04. Release of child's name for publication.
I consent to the release of my child's name for publication, with or without an accompanying image such that they may be identified as an individual or part of a small group. This may include school website, school displays, newsletters, social media and externally in the local press or other media.
☐ No, I do not give consent

IMPORTANT: In both the App and Web version you **MUST** click the Save button to store any changes to your preferences.

Additional information regarding Parental Consents and why we require this information is provided in MCAS in the Useful Documents section.
