

ALDERMAN WHITE TRANSITION

NEWSLETTER #1: COMMUNICATION

WELCOME TO ALDERMAN WHITE SCHOOL

On behalf of the students, staff, and governors, we are delighted to welcome you and your child to Alderman White School. We are already hard at work preparing to make this move as smooth and exciting as possible.

What Happens Now?

You will receive regular contact from us via email throughout the remainder of this academic year, so it is important that we ensure we have your most convenient email address and contact details. Please contact the school on 0115 9170424 or email the school: white@whptrust.org to update these, as necessary. This way, we can ensure together that you will not be missing out on any important information.

Important First Step: Confirming Your Place

It is very important that you officially respond to the offer sent by the Local Authority. Whether you are eager to join us or your circumstances have changed, please take a moment to:

- **Accept your offer:** This secures your child's place in our September intake.
- **Decline the place:** If you no longer require the place, please notify the Local Authority so the place can be offered to another family on our waiting list.

ALDERMAN WHITE : A COMMUNITY OF OPPORTUNITY FOR ALL

What do our values look like in action?

We show politeness and respect for others.

Our achievements are recognised and celebrated.

We learn to adapt our behaviour, make the right choices and learn from mistakes.

We join in with an exciting and engaging enrichment programme.

Our parents and carers are encouraged to be actively involved in the life of the school.

Our sense of community is based around our **INSPIRE** values of

- Integrity,
- Nurture,
- Success,
- Perseverance,
- Innovation,
- Responsibility and
- Engagement.

Every member of our school community - children and adults - is encouraged to embrace these values and to demonstrate them through their attitude and conduct both within school and in the wider community.
