2nd December 2021

Dear Parents and Carers

It is with regret that we are writing to let you know that we've taken the decision to cancel nativity performances to families next week.

We have had a few confirmed cases of Covid-19 this week (you will have received a warn and inform letter if your child is potentially affected by these). Although levels are currently too low to meet any public health thresholds, they do cause us to review our risk assessment measures and planned events in our school diary. After attending a local authority Covid-19 update meeting yesterday and consulting with other local neighbouring schools, it is clear that rates of infection are now up in the local area and in the West Berkshire primary school population. This decision has been taken to protect our community as far as possible over the last couple of weeks before Christmas.

The hard work of the adults and children in Wrens and Robins Classes to prepare our nativity will not go to waste! We intend to continue with the dress rehearsal performance to Owls, Kingfishers and Starlings tomorrow so that the children get a chance to perform in front of an audience. We are also hoping to provide you all with a video of the production as we did last year.

We will need parental permission to share the video with all the families of the children in Robins and Wrens. Please return the permission slip below or confirm permission by e-mail to enquiries@aldermaston.w-berks.sch.uk. If we do not have your permission, your child will not be filmed.

Once again, we are very sorry not to be able to invite you into school for performances and apologise for any inconvenience caused by the change in plans.

Yours faithfully

Mrs M Higgs
Headteacher

Nativity Video Permission
Please return to school by Monday, 6th December latest

Child's Name Class

I am happy for my child to be filmed performing in the nativity production and for the video to be shared with the families of Robins and Wrens.

I agree to not share pictures or footage of children (other than my own) on any social media platforms.
