Mrs. M Higgs - Headteacher

30th September 2022

Dear Parents and Carers,

We are holding two coffee mornings to share how your child learns in the Foundation Stage and how you can support them at home. The first morning will be Phonics based and it will give you the opportunity to find out about the programme that we follow and understand some of the terminology that is used. The second morning will be about Maths and how we develop their key skills in number, shape, measure and pattern. During both sessions we will give ideas of activities that you can do at home with you child. You will also receive a learning pack providing more details during each session.

Phonics Coffee Morning – Tuesday, 18th October 2022 8.45am (after drop off) to 9.30am

Maths Coffee Morning – Tuesday, 15th November 2022 8.45am (after drop off) to 9.30am

Both sessions will be held in the Larks room (to the right of the Office).

If you are unable to make either session, we will ensure that your child brings home the learning pack handed out.

Also, please would you send in a named pair of welly boots (if you haven't already) so that we can take advantage of the outdoor area whatever the weather.

Yours faithfully,

Mrs K Makepeace
Class Teacher
Aldermaston CE Primary School
