Mrs M Higgs – Headteacher

1st February 2023

Dear Parent/Guardian

Bikeability - West Berkshire Cycle Training

We have today received an email for all children in Year 6 are invited to take part in their cycling proficiency with West Berkshire Cycle Training. This year the training will take place from **NEXT** Monday, 6th February 2023.

Unfortunately due to funding and availability of tutors, we have only been allocated places for 12 children, which means that 1 child will be unable to take part in this round of bikeability. For those who are unsuccessful on this occasion, we will make every effort to organise an additional session for them to take part, later in the year.

The course is designed to develop road sense, awareness of traffic dangers and to improve your child's ability to ride safely.

Please find enclosed with your email accompanying this letter further information regarding bikeability and a consent form. If you would like your child to take part and have access to a bicycle, please return the consent form to the school office by **THIS** Friday, 3rd at the latest.

Places are limited as previously advised, so places will be allocated to children on a first come first served basis.

Yours sincerely

Mrs M Higgs
Headteacher
