

Dear Parents,

ThinkTank's innovative programme for primary school children uses carefully selected games and puzzles from around the world to develop and sharpen children's **thinking, social and interpersonal skills**.

*Thinking skills such as:*

- logic
- decision making
- verbal reasoning
- problem solving
- memory

*Social skills such as*

- teamwork
- collaboration
- fair play

*and emotional/self management skills such as*

- self discipline
- self confidence
- personal responsibility
- learning from mistakes & winning and losing graciously

Through this well-structured curriculum, children learn how to apply these essential life skills to everyday situations - all whilst having a wonderful time!
