Headteacher: Mark Wieder

13<sup>th</sup> January 2026

Dear Parent/ Carer,

It was a successful first week back for the children and it has been good for everybody to get back into the usual routine. This week, you should receive information about what your child is learning this term and the details regarding the poetry competition that will be taking place this term.

On Thursday this week, governors will be in school and spending time in classes. They will also be available to speak to families at collection time between 3 and 3:30pm. They will be located by the gazebo on the playground.

## Considerate and Safe Road Use

It has been noted that vehicles belonging to parents from Aldryngton have been observed driving down the narrow road between Aldryngton and Maiden Erlegh School at both drop off and collection times. Please note that this is a private road and is part of the Maiden Erlegh School car park. It should not be used by parents to drop off children at drop off and collection times. A large number of pedestrians use this route from both schools and vehicles using this route is increasing the danger for them. Thank you for your continued support in ensuring the safety of the school community.

## School Census Day 15<sup>th</sup> Jan

Thursday 15<sup>th</sup> Jan will be School Census day. As you will be aware all Foundation Stage, Year 1 and Year 2 pupils are entitled to a free school meal. These meals are paid for by the school using monies provided by the government. The amount given to schools depends on the take-up rate on census days during the year. If take up levels are low on census days we will be funded accordingly regardless of need on other days. If our meals funding creates a shortfall the school will have no option but to use money earmarked for other purposes.

Clearly this is of great concern. However, the way forward is to have all eligible pupils opt for the free school meal on census day thereby ensuring there is no shortfall.

Please consider supporting the school once again by ordering the free Foundation Stage, Year 1 and Year 2 school meal on this day.

If you haven't yet placed your order you can still do this by calling Impact food directly: 0204 542 7221

## Illness

It is the time of the year where there are a number of illnesses going about and it can be tricky sometimes to decide whether your child is too ill for school or not. As a general rule, if your child has a temperature, please keep them off until the temperature is back to normal. If there is a sickness/ diarrhoea, please keep them off until 48 hours after the last episode. The NHS has produced a useful guide that goes through most common conditions and what the response should be. I have attached a link to this below:
