14th April 2026

Dear Parent/ Carer,

Happy Vaisakhi to all of the families celebrating this today. I hope that all families had an enjoyable break. A reminder that this week we have our Y6 SATs meeting for parents taking place after school on Thursday.

Considerate Parking

We have received communication recently to state that some families have been parking on resident's personal drives or parking across the drives so that that residents cannot leave their property. A reminder that please walk to school where you can and if you do need to drive, then please park considerately and lawfully. Thank you in advance for your support.

Smart Watches

The Department for Education has recently updated its guidance for schools regarding mobile phones and smart watches. It has been made clear that smart watches with the functionality similar to a mobile phone (for example the ability to send and/or receive notifications or messages via mobile phone networks or the ability to record audio and/or video) should be prohibited from being worn during lessons/ in-between lessons, break and lunchtimes. If your child's watch has functions such as this, then please can it not be worn into school. In the event of your child wearing a watch to school with the functions of sending/receiving messages or recording audio/ video, your child's class teacher will collect it from your child and send it to the office where it will need to be collected. Thank you in advance for your support with this.

New Parent Governor

Congratulations to Nanda Nainadurai, who has been elected as the new Parent Governor.
