6th January 2026

Dear Parent/ Carer,

I would like to take the opportunity to welcome everybody back to school and wish everyone a Happy New Year. I hope that everyone had a restful break and that the children have returned refreshed and ready to learn.

Adverse Weather Contingency Plan

With the snowy weather today, I thought I would draw attention to our contingency plan for adverse weather conditions. For overnight adverse weather conditions, we will factor in two key considerations when making a decision to open or not. These will be the level of safety in accessing the school site and surrounding area as well as the number of staff who are safely able to access the school site. This will take time to assess, so a decision to close would then be emailed usually by 8:20am. Teachers would then email optional work that could be completed to the school office and this would be emailed to families.

In the event of adverse weather conditions occurring during the school day that would warrant a school closure, we would contact families and ask you to collect as soon as possible.

To support with onward planning, we would usually look to make a call by 3pm regarding whether school will be open or not on the next day.

School Census Day 15th Jan

Thursday 15th Jan will be School Census day. As you will be aware all Foundation Stage, Year 1 and Year 2 pupils are entitled to a free school meal. These meals are paid for by the school using monies provided by the government. The amount given to schools depends on the take-up rate on census days during the year. If take up levels are low on census days we will be funded accordingly regardless of need on other days. If our meals funding creates a shortfall the school will have no option but to use money earmarked for other purposes.

Clearly this is of great concern. However, the way forward is to have all eligible pupils opt for the free school meal on census day thereby ensuring there is no shortfall.

Please consider supporting the school once again by ordering the free Foundation Stage, Year 1 and Year 2 school meal on this day.

Poetry Competition

We have decided to alternate the Spelling Bee and Poetry Competition. This year, the focus will be on the Poetry Competition. Mrs Dunn will be introducing the competition format to the children in the assembly on Friday. The list of poems that the children can choose from will be sent out next week with class heats taking place on the week beginning the 2nd February and the finals taking place one week later.
