

Be a Regular Reader!

Please read every day. Read a range of books. Make sure that you read aloud too as this is a different skill. You will need to make a note of what you have read under each day in your diaries. Remember when you have finished a book, write a review or tell us about it.

Be a Word Whizz!

Practise the spellings on the spelling sheet (see homework book), week by week. Our test will be on a Friday morning, so you have all week to practise!

Be a Mathematician!

Log on to TIMES TABLE ROCK STARS and practise as much as you can! We will be consolidating our prior learning, before learning our 3 and 4 times tables this term.

In preparation for the Year 4 MTC, it is incredibly important for **all** children to practice their times tables at home. Year 4 will complete a Soundcheck every week in school, for further practice.

Become a Designer

Design your own treasure map from the additional sheet given. Include different areas such as mountains, rivers and a treasure chest. Make sure you include your 4 figure grid references in your key.

Become a travel agent

Make a travel brochure about Ancient Greece. Where would you travel to? What could you do while you were there? Who would you recommend to visit? Use pictures with lots of facts and information.

Become a researcher

Study the Ancient Greece timeline and choose one event. Conduct your own research and create a power point. Use PowerPoint to create your own lesson with information. Can you use copy and paste to add pictures to your slides?

Become a Greek god

Create a picture of an imaginary Greek god. Make sure your poster is eye-catching and full of facts and information. Try to think of a symbol for your god.

Become a chef

Try out some Greek recipes of your own. Create your own recipe in your homework book. You could stick in photos of each stage of the cooking process.

Spirituality Reflection - Nature & Me, Myself and I

Divide a piece of paper into two sections.

- Draw and write about something in nature that makes you go 'WOW'.
- Write down three things you are proud of about yourself.

The Digestive System

Draw or make a model of the human digestive system. Don't forget to label it and write about how food travels through the human body using the vocabulary we have learned in school.

<https://www.youtube.com/watch?v=v3E1txcKPe8&t=72s>

Latin

Make your own mini dictionary to show all the vocabulary you have learned so far.
<https://www.minimuslatin.co.uk/minimus-resources.html>

Show your Art skills

Demonstrate your understanding of light to create your own drawing of a simple object you have at home. Don't forget to look closely at where the light is coming from and where the object casts shadows.

Neptune's Homework Grid

Date due: Monday 2nd November

<u>History Vocabulary</u>	<u>Geography Vocabulary</u>
Ancient Greece – An ancient civilisation based around the Greek Peninsula and surrounding islands. Lines of Latitude – Imaginary lines that help us to identify how far north or south of the equator somewhere is.	Lines of Latitude – Imaginary lines that help us to identify how far north or south of the equator somewhere is.
Spartan – People who lived in the city-state of Sparta. They were known for being great warriors.	Equator – An imaginary line that shows us the halfway point between the North and South Poles. The equator divides the earth into the Northern Hemisphere and the Southern Hemisphere.
Democracy – A system of government where people can vote to decide things. Athens was the first city-state to develop this system. Prime Meridian – The line of longitude that measures 0° and runs through Greenwich in London.	Prime Meridian – The line of longitude that measures 0° and runs through Greenwich in London.
Persia – An empire to the east of Greece, ruled by kings. Ancient Persia is in modern Iran. Tropic of Cancer – The most northerly line of latitude where the sun can be directly overhead. Named after the constellation of Cancer.	Tropic of Cancer – The most northerly line of latitude where the sun can be directly overhead. Named after the constellation of Cancer.
Olympics – A religious festival held in honour of the God Zeus. The Olympics was attended by people from all over Ancient Greece.	Tropic of Capricorn – The most southerly line of latitude where the sun can be directly overhead. Named after the constellation of Capricorn.
Legacy – Something that is part of our history and remains from an earlier time.	Scale – The relationship between the size of a map and the size of the real area that is represented by the map.
